

Traveling this Summer?

We thought we would loosen up for the June Fact Sheets.
Below are some interesting facts if you are traveling this summer.....

You could participate in the annual Interstate Mullet Toss hosted by the Flora-Bana Beach Bar in Pensacola. Once a year thousands of Floridians stand at the state line and toss dead fish into Alabama. (Obviously there is some history there).

Do not offer lighted cigars or whiskey to domestic animals in Chicago, since that is illegal.. It did not say anything about cigarettes or beer though.

In Louisiana biting someone with your natural teeth is considered a “simple assault” while biting someone with false teeth is “aggravated assault”. Hmmmmmmm

If you plan on juggling in Hood River, Oregon make sure to obtain the correct license first. Since it is illegal to juggle anything there without a license.

And lastly, if you plan on going to Hell or want to give someone directions of how to get there you have a few choices:

- Hell, Norway
- Hell, Michigan
- Or my destination of choice,
- Hell, Grand Cayman Islands

Have a Safe, Enjoyable Summer!!!
