

Safety Credit Program

The Risk Management Committee of the North Coast Schools Insurance Group has established a Safety Credit Program to promote safety and assist its members in purchasing items recommended in their Inspection Reports. (A Safety Credit Reimbursement Form must be used when requesting reimbursement.) The form is available on our Web site (<http://www.ncsig.org/forms.php>) or in our office.

0 - 75ADA	\$ 300
76 - 250ADA	\$ 500
251 - 450ADA	\$ 750
451 - 1000ADA	\$ 1,000
1001 - 1500ADA	\$ 1,500
1501 +ADA	\$ 2,500

Participation Is Easy!

STEP 1 The district consults with the JPA (445-7067) prior to any actual purchase as to the appropriateness of the purchase.

STEP 2 The JPA will approve purchase or suggest an alternative.

STEP 3 After approval and purchase, the district will attach evidence of the purchase to the completed reimbursement form and send it to the JPA for processing.

Remember...

1. Purchasable items must first address items noted as needing attention in your safety inspections report.
2. Safety credits may be used for safety training costs for staff.

**Credits are not cumulative
— use them or lose them!**

*Reimbursement forms received after May 30
will NOT be processed.*
