

NORTH COAST SCHOOLS INSURANCE GROUP

Safety Credit Program

2012-2013

The Risk Management Committee of the North Coast Schools Insurance Group has established a Safety Credit Program to promote safety and assist its members in purchasing items recommended in their Inspection Reports. (A Safety Credit Reimbursement Form (JPA 4) must be used when requesting reimbursement.) The form is available on our Web site (<http://www.ncsig.org/forms.php>).

Participation Is Easy!

- 1** The district consults with the JPA (445-7067) prior to any actual purchase as to the appropriateness of the purchase.
- 2** The JPA will approve purchase or suggest an alternative.
- 3** After approval and purchase, the district will attach evidence of the purchase to the completed reimbursement form and send it to the JPA for processing.
